COMMIT TO MEMORY...

The fear of the LORD is the beginning of wisdom,
and knowledge of the Holy One is understanding.
~ Proverbs 9:10

VISION UPDATE

It's June already! Here's where we stand.

- 1 – Church Plant – This is an integral part of the vision. We are not ready yet, but we are headed in the right direction.
- 2 – Small Groups – Currently we have one small group that is looking like its going to split. As each group splits more and more people will be able to get involved.
- 3 – Building – The building committee is meeting with a contractor and will report its findings to the church in the near future!
- 4 – Outreach – Mission: The Warwick Valley

This is the summer's focus:

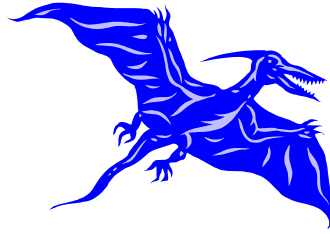

Back Yard Clubs: We still need people who are willing and able to commit to teach. Please speak to Pastor Eric. He will be thrilled if you could help in this way. These are going to happen in July and August. Just a reminder, these programs are designed to reach mostly unchurched kids and their parents.

HOLIDAY AT SEA

For a lot of us, summer means getting to be on the water. On a rock by a creek, on a boat on the lake, on the chaise by the pool, on the sand at the beach - Down at the shore or parasailing in the Bahamas! We like relaxing on the water. It should not surprise us that C.S. Lewis used this analogy. What happens the day before a trip - we get so wrapped up in our lives that we lose focus on the vacation. We bring our laptops to the beach because we can't imagine just relaxing. Lewis' message goes much deeper. He wants us to imagine a full, joyful life in Christ versus a life full of other pleasures. When you are chasing after those things, you are running away from Christ. I hope you can have a Holiday at Sea this summer.

We are half-hearted creatures, fooling about with drink and sex and ambition when infinite joy is offered us, like an ignorant child who wants to go on making mud pies in a slum because he can't imagine what is meant by the offer of a

HOLIDAY AT THE SEA.

~ C.S. Lewis
